

Driving Policy

It is the policy of EPC Solutions FZC to conduct our business to ensure that we create a safe working environment that maintains good health and welfare for our employees, clients, partners, suppliers and subcontractors

Whilst working globally we will take into account all client and contractual requirements as well as host government rules and regulations. We are committed to reducing harm from accidents and injuries at work due to vehicles.

EPC Solutions management is committed to:

- Ensuring the driver of the vehicle completes a check of the vehicle prior to use, that all inspections are completed and to report defects if any
- Adhering to the host government driving regulations
- Strictly prohibiting driving under the influence of drugs or alcohol
- To report all company vehicle accidents
- Fully certified drivers that are in accordance with regulations of the host government and client
