

Health, Safety & Environmental Policy

It is the policy of EPC Solutions FZC to conduct our business to ensure that we create a safe working environment that protects our employees, clients, partners, suppliers and subcontractors against accidents and prevents pollution.

When working globally we will take into account all client and contractual requirements as well as host government rules and regulations with regards to Health, Safety and Protection of the Environment.

EPC Solutions management is committed to protect:

- The environment
- The health and safety of employees, clients, partners, suppliers and subcontractors
- All company facilities and assets and that of clients, partners, suppliers and subcontractors
