

Quality Assurance and Control Policy

It is the policy of EPC Solutions FZC to conduct our business to maintain and promote the highest standards of quality and client satisfaction.

Quality is important to us because we value our customers and aim to provide you with products and services which meet your and exceed your expectations.

EPC Solutions management is committed to:

- Continuous improvement
- Regular monitoring of customer feedback
- Selection and performance monitoring of suppliers and subcontractors against project criteria
- Management review of complaints
