

Security Policy

It is the policy of EPC Solutions FZC to conduct our business to ensure that we create a secure working environment that protects our employees, clients, partners, suppliers and subcontractors against acts of intimidation, violence and threat.

Whilst working globally we will take into account all client and contractual requirements as well as host government rules and regulations with regards to the security and protection of all our employees, clients, partners, supplier and subcontractors.

David Mabbs, Director
10 December 2014

A handwritten signature in black ink, consisting of the letters 'DM' in a cursive, stylized font.
